

# AS 800 FREERIDER

## RIDE-ON MULTI-PURPOSE MOWER

### FOR USE IN

Meadow

Long meadow grass

Mulching & Shredding

Slopes

Uneven terrain

YouTube

Technical specifications on rear ▶

### VERSATILITY FOR ALL TERRAINS

Agricultural tyres, switchable differential lock and a powerful engine ensure excellent traction in difficult terrain.

### AS MULCHING/MOWER DECK

Self-contained mower deck with AS cross-blade system. The main blade cuts long grass and scrub and the cross-blade shreds it to a fine mulch.

### SURFING MOWER DECK

On uneven terrain, the mower deck moves upwards to protect itself against damage.

### LOW, COMFORTABLE SEAT POSITION

With ample leg room thanks to the adjustable seat, combined with the smooth, responsive steering system, ease of handling is guaranteed.

### ENGINE DESIGNED FOR INCLINES

The additional oil and fuel pump and supplementary protective grid at the air intake protect the assembly even under tough conditions.

Recommended retail price inc. VAT.
