Technical specifications on rear ▶

PERFECT MOWING AND MULCHING

Two AS cross-blade systems coupled with a pendulum-mounted mowing mechanism ensure optimum mulching results.

GEARBOX

The 5-speed gearbox with differential lock and reverse gear ensures optimum progress even on wet ground.

SUITABLE FOR STEEP SLOPES

Perfectly equipped for work on slopes thanks to the additional fuel and oil pump with oil pressure switch.

HIGH-PERFORMANCE VANGUARD ENGINE

B&S 2-cylinder Vanguard V-Twin engine with 479 ccm capacity for extra power when the going gets tough.

BRAKES

Service and parking brake. When the drive lever is released, the machine stops securely on the slope at all times.

Recommended retail price inc. VAT.
